

Christmas Stockings

Always one of our most popular workshops at Called to Serve Family Sunday, we wanted to make sure this fun option was part of this year's choices. Stuff Christmas Stockings to help spread a little joy to a child this Christmas. This year, use your creativity and purchase stockings and treats for a child between the ages of 4 and 7 years old. Selecting this age group will help us in our distribution plan this year. It will also be helpful if the stockings are gender neutral. We will be working with local parish Christmas programs to include the stockings in their Christmas distributions to local families this year.

Things to consider including in your stockings

- Coloring book
- Crayons
- Small stuffed animal
- Squishies
- Stickers
- Card games-Go Fish, Old Maid, etc.
- Stewart's ice cream cone gift card
- Or other items of your choice for the age group
