

## Good Neighbor Program

*"I was naked and you clothed me" Matthew 25:36*

### How you can help.

1. Clean out the closets in your home and/or ask friends and family to donate gently-used clothing that they have outgrown. Check out our clothesline to see what sizes we are currently collecting!
2. Have fun shopping and purchase an outfit or outfits for us to pass on to a child in need.
3. Can't get out to shop or prefer to shop on line? Visit our registry at Target—open through Christmas Day! Choose from items we have added to the registry and they will be shipped right to us. Here is the link:

4. Organize a holiday clothing collection—ask friends and family to bring an outfit or pack of underwear or socks with them when you gather for the holidays. Or, come up with other creative ways to help collect items with your family, friends, teammates, or coworkers.
